

INTERNSHIP REVIEW

1. What are your current projects you are working on?

2. From 1 - 10, how much do you enjoy the projects your working on?

1	2	3	4	5	6	7	8	9	10
Hate it									Love it!

3. Please explain your answer from question 2.

4. Are there any projects you want to be working on that you haven't been able to get to yet? If so, what projects would you like to be working on?

5. Do you feel accomplished/ are you satisfied with the work you have completed thus far? Please explain.

6. Please rate how helpful your supervisor has been for you so far.

1 2 3 4 5 6 7 8 9 10
Not Helpful Extremely Helpful

7. Please rate your overall internship experience at The JDK Group so far

1 2 3 4 5 6 7 8 9 10
Horrible Amazing!

8. Is there anything your supervisor could do to help you with your projects/ improve your overall experience at The JDK Group?

9. Please describe one specific goal that you would like to accomplish before the end of your internship. Think of anything you want to add to your portfolio or a specific skill you want to improve before your internship is complete.

10. Are there are questions you currently have that haven't been answered yet? Please list.
